

First Steps to a Lifetime of Learning

THE CHILDREN'S CAMPUS ROOM 3 AUGUST NEWSLETTER

Hello Room 3 Families,

It's already August! Summer is coming to an end and our children have enjoyed all the fun summer activities that we planned for them.

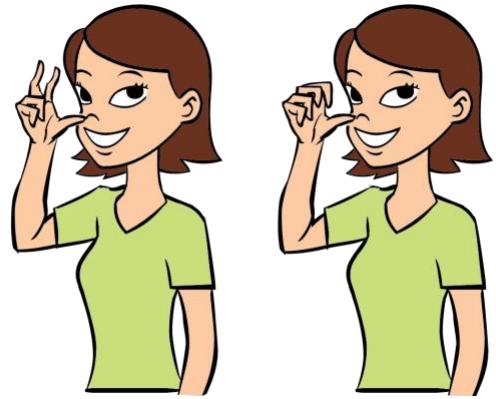

The children in room 3 have been busy engaging in many different learning activities and exploring their indoor and outdoor environment. During the month of August, we will be focusing on the various types of bugs. We will also be continuing our lesson on simple sign language. If you have a family picture, please bring it in to be posted in the classroom, the children love being able to see their family while at school.

Thank you for all the support of our classroom. Please let us know if you have any questions, concerns, or feedback.

Ms. April and Ms. Angela
