

THE CHILDREN'S CAMPUS SUMMER EVENTS 2019

First Steps to a Lifetime of Learning

Dear Parents,

We know children learn best through play and positive interactions. Children's Campus strives to meet the needs of the children by planning an extension of our curriculum through a variety of hands-on activities and experiences. Therefore, we have planned some fun-filled activities and experiences to promote meaningful learning opportunities for the spring. We welcome parents to come and join in with these activities if your schedule allows. We also invite parents to come in to share a theme related book or plan an activity with your child's class.
