

First Steps to a Lifetime of Learning

THE CHILDREN'S CAMPUS ROOM 4 OCTOBER NEWSLETTER

Hello, Room 4 Families,

Can you believe that we are in the month of October! We are continuing the excitement of learning and exploring together in our two-year-old classroom. We will conclude the weather theme during the first month of this month. Then we will be diving into more fun yet interesting themes such as fire safety, pumpkins, and halloween. This month we have a lot of hands-on activities planned, with problem-solving activities! We will also continue working on fine motor skills, different puzzles, and mathematics, including sorting/stacking activities, as part of this month's themes.

As always if you have any questions please let us know.

Thank you,
Classroom Four
