

First Steps to a Lifetime of Learning

THE CHILDREN'S CAMPUS ROOM 6 OCTOBER NEWSLETTER

Hello, Room 6 Families,

We are so excited to welcome the month of October! This month, the children will explore exciting themes that spark curiosity, imagination, and learning, such as pumpkins, fire safety, nocturnal animals, and Halloween.

As we learn through play, we will continue working on important toddler skills such as following directions, sharing, and taking turns, building friendships, and expressing our needs with words. We will also practice identifying colors, shapes, and numbers, expanding our vocabulary, and recognizing familiar objects related to our weekly themes.

Our classroom activities will encourage fine motor development through painting, coloring, and hands-on sensory experiences. We will also strengthen sensory experiences. We will also expand our gross motor skills through outdoor activities, games, and other activities.

Thank you,
Classroom 6

Home Connections

- ❖ Please make sure everything that comes into the center has your child's name on it.
- ❖ Please make sure your child has 2 sets of weather-appropriate changes of clothes in their cubby.
