First Steps to a Lifetime of Learning

THE CHILDREN'S CAMPUS
ROOM 7
OCTOBER NEWSLETTER

Hello, Room 7 Families,

We are excited to welcome the fall season! October will be filled with hands-on learning, sensory exploration, creativity, and lots of opportunities to learn through play.
What We're Learning
This month, we will explore:
Learning Through Play
Throughout the month, we will use our weekly themes to create fun and meaningful learning experiences for our toddlers.
Fine Motor Skills
We will strengthen little hands and fingers through painting, gluing, scooping, transferring, peeling, sticking, and other theme-related activities.
Sensory Play
Our toddlers will explore different textures, colors, sounds, and smells through seasonal sensory bins and hands-on materials.
Hands-On Learning
We will investigate pumpkins, learn about firefighters and fire trucks, discover animals that are awake at night, and explore all the fun of the fall and Halloween season. We will also incorporate stories, songs, movement, art, and plenty of opportunities for our toddlers to explore and discover at their own pace.

Thank you
Classroom 6

Home Connections

- Please make sure you label all your child's items that come into the center.
- Please make sure your child has 2 sets of weather-appropriate changes of clothes in their cubby
