

THE CHILDREN'S CAMPUS

SPANISH NEWSLETTER

Children's Campus Families,

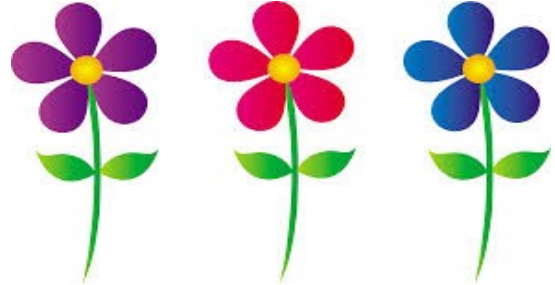

We are excited for the month of May and to learn all about body parts! The children will explore a variety of Spanish songs and activities that relate to body parts. Not only will they identify body parts in Spanish, but they will also have the opportunity to experience these new words through games.

The children will also read several well-known stories in Spanish, which will each have a corresponding book activity. We are excited to learn all about body parts! Please let us know if you have any questions.

Ms. Magan
