

First Steps to a Lifetime of Learning

THE CHILDREN'S CAMPUS SPRING EVENTS 2024

Dear Parents,

We know children learn best through play and positive interactions. Children's Campus strives to meet the needs of the children by planning an extension of our curriculum through a variety of hands-on activities and experiences. Therefore, we have planned some fun-filled activities and experiences to promote meaningful learning opportunities for the spring. We are excited to begin having in person experiences come to Children's Campus. We are looking forward to a fun-filled spring!
